Maximum of one Company, three people, per day - system users/purchasers only.

N.B. Machrihanish Air Base, about three miles from here, has two civilian flights each day, to and from Glasgow.

Space Requirements

The minimum space required for a full resist manufacturing facility would be around 8' x 9' (2.4m x 2.75m). A little more would be ideal but the actual configuration is flexible and thus can be accommodated into many different shapes of space.

Price list (EE1004)) effective 1st April 2010. E. & O.E. All prices quoted in £ Sterling, ex works.
